The Professional Boards Forum brings together chairmen and senior Non-Executive Directors and women with the skills and experience to take on Non-Executive Director roles now - or in the near future.

Leading chairmen such as Sir Win Bischoff, Hans Wijers, Gerard Kleisterlee, Andrew Gould, Sir Philip Hampton, Sir Dick Olver, Michael Treschow, Dame Alison Carnwath, Hessel Lindenberg, Glen Moreno and Walter Kielholz have participated at the Professional Boards Forum.

At our innovative events, a "Simulated Board Meeting" gives talented women a unique opportunity to show their understanding and judgement of complex strategic, governance and financial problems, demonstrating the strengths they could bring to a board in the future. The Forum creates a friendly environment where women can meet, impress and learn from business leaders who influence Non-Executive appointments.

This is our first event in Germany and we look forward to welcoming you to an interesting and useful afternoon.
