The Professional Boards Forum brings together:

- *Leading Chairmen / CEOs who would like to see talented women take on board roles*
- *Women current and future Non-Executive directors looking for board roles now or in a few years*

Launched in Norway in 2003 by Elin Hurvenes and now operating in Norway, the UK, Germany, Switzerland and The Netherlands this Professional Boards Forum event will bring together some 20 Chairmen/CEOs and 40 women with the skills and experience for Non-Executive Director roles.

This is our 9th event in The Netherlands and we are pleased to report several new board appointments as a direct result of our events.

During the event a Simulated Board Meeting' gives participants a unique opportunity to discuss complex strategic, governance and financial problems in a 'board-like' setting. The Forum creates a friendly environment for building important future networks.
